Healthy Home Club benefits include complimentary annual service. Once each year, a member of our expert plumbing team will give your home a thorough inspection, scheduled service, complimentary plumbing system adjustments and complimentary DrainVision of your main waste line, a \$500 value!

As a member of Healthy Home Club you'll receive same day service. If you ever have a plumbing or drain cleaning need you will be able to rely on us for after-hours emergency service.

Healthy Home Club discounts include 15% off any plumbing or drain cleaning repair, a significant discount of \$40 off our standard service fee, and a substantial savings of \$50 off our after-hours EMERGENCY service fee.

Healthy Home Club Members receive extended warranties including a full 2-year guarantee on any and all repairs, replacements, and/or premium fixtures provided and installed by Drain Doctor. To maintain guarantees on eligible fixtures, we must inspect your plumbing system at least once a year. During this visit, your Drain Doctor technician will make any necessary adjustments, repairs, or replacements of eligible fixtures at absolutely not cost to you! It is the responsibility of the Healthy Home Club member to schedule this inspection. Your valid email address will allow us to send reminders when it is time for your Healthy Home Check-Up.

Healthy Home Club membership requires a minimum one year commitment. Warranties will remain in effect in the event of ACH failure, provided charges are brought current within 30 days. Cancellation of checking/savings account or failure to bring charges current after 30 days will result in the termination of all warranties. Two missed payments may void membership. Club memberships must be canceled in writing one month in advance. Your membership is transferrable either to the buyer of your current home or to your new home if you move within our service area.

Failure of fixtures through abuse, misuse, neglect, vandalism, freezing, fire, flood or acts of God will not be covered. The results of ordinary wear and tear such as scratches or finish blemishes will not constitute cause for replacement. Filter changes for water-treatment products will be charged normal Healthy Home Club rates whereas filter systems are covered by our warranty. Fixture installation must comply with local codes. Other conditions may be required for eligibility as determined by your Drain Doctor technician. These may include, but are not limited to, installation of emergency shut-off valves, pressure-reducing valves, and waste or water-line repairs. Maintenance or alteration of eligible fixtures by anyone other than your Drain Doctor technician will void warranty.

Healthy Home Club membership is only \$19.95 per month, plus tax.
